alisun **V500+**

Upgrade your salon with the spectacular design and equally impressive performance of the Alisun V500+. Its unique combination of low pressure body lamps and high pressure face tanners sets it aside from the competition. Should you want more comfort, just upgrade the V500+ with the AcScent Aroma and AquaBreeze system. Even with these options the V500+ offers extreme value at an affordable price.

How to attract attention

With its characteristic design the Alisun V500+ is not easily mistaken for any other vertical on the market today. The design is just as stunning in black, orange and white as it is in red, attracting the full attention of your customers.
