alisun 200+

Never before has a compact size sunbed been packed with so much comfort. The Alisun 200+ can be equipped with AcScent Aroma and AquaBreeze, which is truly unique for a sunbed in this segment. And to top things off, we also offer an ergonomically shaped acrylic sheet for even more comfort. Compact in size, not in comfortable tanning results.

Fluent lines, impressive results!

The Alisun 200+ has fluent, soft lines with a very high quality finish. But don't let its size fool you. This compact sunbed delivers some pretty impressive results, even at just 230V for the 230 S and 230 F. With the Alisun 200+ you get a value for money you are not likely to find anywhere else.
